(The BFH fonts are also available separately as a download at the publisher's website.) Fix It. Write has two sections. The first section is for those who rely on a form of. How to Choose Homeschool Curriculum PDF. This is the second time for readers to see this piece, which appeared in The New York Times on Sunday, when I spoke briefly with Tom Friedman. I had a bottle of red wine waiting for me, as I always do, as part of our interview. I looked in the bottle and it was empty, but hey, I had a story to go forward with. And Friedman was mellow. 4. The Adventures of Tom Friedman in Japan Back in the 1990s, I was an 18-year-old college student. It was the dawn of the computer age in America, but the great software companies had not yet exited stage left. When I was in Japan, I was amazed by the machines that were just rolling out of the old computer factories. I cannot remember now why I bought one, but I did. I took it back home to the dorm room I shared with my roommate, one of the smartest students in
